

**Letter From Lorraine Dickson
2006 Award Winner**

Dear Glenys,

I would like to acknowledge Galway Trading for providing me with the 2007 Conni Award for attendance at the International Continence Conference in Rotterdam Holland in August this year.

It is with sincere thanks that I accept your allowance for return airline tickets Sydney to Amsterdam and accommodation, registration costs and workshop fees while at the conference.

It is a wonderful opportunity and without this very generous sponsorship I would not be attending or going to Holland and the conference.

Thank you so very much.

Yours sincerely

Lorraine Dickson CNC
